

February 27, 2019

On Friday April 12, 2019, Huntingtowne Farms Elementary School will be hosting Career Day. On this day, I need volunteers to speak to classes in 3rd, 4th, and 5th grade. I would like the students to hear about different careers and understand the relevance of academic learning to the tasks they might someday perform in the working world. It is a great experience for the students of Huntingtowne Farms Elementary to learn and explore the many different careers that exist in our community.

In preparing for this exciting day, I need to know if you would be willing to come to our school and talk about your career. Any time that you are willing to volunteer would be greatly appreciated. Times of the career day would run from 9am and would end at 10:30am. Each classroom will have about 15 minutes to hear presentations from our volunteers. Classes will then rotate into other classrooms to hear other presentations. I am hoping our speakers will include information about the education/training required in the field, a typical day in this career, stories from your job, and how you ended up in this career. You could also consider bringing props or uniforms to share with the students if applicable.

I will send you more information in the weeks to come if you are able to speak. Please return this form (or email or call me) to let me know if you are able to come. I appreciate all of your help in making our school a great place to learn!

Many thanks,

Ayo Adisa
